

## REQUEST TO HAVE CELL PHONE AT SCHOOL

Student name \_\_\_\_\_

Grade \_\_\_\_\_

Room Number \_\_\_\_\_

I request my child have a cell phone at school. We are aware and have made clear with our child the phone must be turned off, kept in backpack and in their locker and it is not allowed as an E-Reader device. If the phone is visible during the school – on or off and used for ANY purpose – the child will forfeit the phone and it will be given to the principal who would keep it for a week. At that time a parent needs to collect it and the child will no longer be allowed to have it at school.
