

**To register new students
for St. John's Preschool,
please complete our online application**

@ www.stjohnnyb.org -

**Click on the Preschool link under 'Quick
Links,' and click 'Enroll Now.'**

Once you have completed the first step in the online registration, the school will receive notification of an application and will accept the application if space allows. Next, you will receive an email from TADS (our online enrollment and tuition payment service) to complete the registration. In order to complete your child's Preschool File, we will need an **Immunization Record** and a **Health Care Summary Form**, filled out by your child's Doctor.

These forms can be dropped off at school or faxed to 651-633-7404,
