

Principal's Bulletin

From the Principal

Blessings on this wonderful Friday in November! November is a month to think about all the wonderful blessings in our lives. Here are St. John's we are so grateful for our wonderful students, supportive parents, and awesome staff. It is truly a blessing to be a part of this wonderful faith and school community.

Here are some things going on at SJB next week:

- Middle School NET Retreat: Our middle school students will be having an in-school retreat with our NET TEAM on Tuesday, November 10th. The purpose of this retreat is to help them develop a deeper relationship with Christ.
- Veteran's Day - November 11th: We are so grateful for all those who serve or have served our country. We appreciate their sacrifices and commitment to helping to continue the freedoms we experience in this country. On this day we thank all Veterans, but especially those within our St. John's community - parents, grandparents, alumni and extended family and friends. Thank you!
- Poinsettia Sales: Our 8th graders take a Spring trip to Washington DC to enhance their understanding of our history and government as well as to see some cool places and have some fun. This year, their trip is scheduled for mid-May and they are having a number of fundraising events to help fund their trip. The 1st one this month is the Poinsettia Sale beginning Monday, November 9th until Thursday, November 19th. These Poinsettias are well worth the money and help out our students. See below for more information and the order form.
- Scholastic Book Fair: Each fall, we host a Scholastic Book Fair where students are able to purchase books during Media time at school. The in-person sales will take place during classes the week of November 16th, but the online sale begins next week on Thursday, November 12th. Go to [SJB Book Fair 2020](#).

As you might imagine, we go through several containers of disinfectant wipes each week at school since we are frequently wiping down surfaces. When you are out picking up items for yourselves, if the store you are at has disinfectant wipes, please consider picking up a container and sending it with your child to school to help us keep a good supply available for us. We appreciate any assistance you can give us with this endeavor! Thank you!

A reminder to families that the morning drop-off time for students is from 7:20am - 7:50am. At 7:50am, the outside doors are closed and anyone arriving after this time should drive to the office door side of the building. Students will need to stop in at the school office to have their temperature checked and to sign up for lunch. Thank you for ensuring your students get to school on time and are ready to begin their day!

Monday, November 23 and Tuesday, November 24 will be Distance Learning Days for students in grades K-8 (Preschool students will have normal classes these two days). Distance Learning will take place in the morning and then teachers will be available in the afternoon, from 1:00 - 8:00pm for conferences. For our K-8 conferences, you will have option to meet in person with your child's teacher or online via Zoom. If you have not signed up for a conference time with your child's teacher, please do so now by clicking [HERE](#). Please note on the sign up if you would like to meet in-person at St. John's or virtually via Zoom.

For the latest information, please see the COVID section of the St. John's School website:

For those who missed the first date or who would like a retake, Lifetouch will be back to St. John's on Wednesday, December 2nd. More details will follow for those who want to participate in this picture retake day.

Finally, as the number of COVID cases rise throughout the Twin Cities and elsewhere, we need everyone to continue to be cautious and diligent. Continue to follow the guidelines given by the [Minnesota Department of Health Decision Tree](#). We understand the frustration with the protocols, but we are at a critical point and **need everyone's help** to ensure we can continue in-person learning. Keep your children home when they are ill. If there is a known exposure or a test pending for a family member or close contact, keep your child home until the results are known. **Do NOT give your child medications in the morning to mask their symptoms (cough medicines, fever reducers, etc.).** If you have any questions about whether a symptom or scenario warrants keeping your child home, please reach out to the school office or our school nurse, Sara Frankson. **If in doubt, keep your child home and contact us.** If you have an exposure, potential exposure or an ill child, please let us know. Notify the school office (thienesj@stjohnnyb.org 651-633-1522 x1118) or attendance line/School Nurse (franksons@stjohnnyb.org 651-633-1522 x 1119). Thank you for your help in allowing us to continue in-person learning at SJB.

Enjoy this lovely long weekend.

Ms. Ann Laird, Principal

J-Care

Due to the earlier drop-off this year, the need for morning J-Care from our families has essentially been non-existent, therefore, we have changed to a **sign-up based** morning registration which means in order to utilize morning J-Care, you **MUST** sign-up using the [Morning J-Care form](#) by **NOON** the day before care is needed. If you sign-up and do not attend, you will be charged the session fee. This form may also be found on the J-Care section of the SJB website.

J-Care on distance learning days: On Monday, November 23, and Tuesday, November 24, St. John's will be holding two "practice" distance learning days. These days are meant to be spent at home helping your child and learning how online learning might work, however, J-Care will be available to those families who have essential workers in their households. Essential workers are defined as those who work in the following professions:

- Healthcare and public health
- Law enforcement, public safety and first responders
- Food and agriculture
- Judicial Branch (essential services)
- National Guard (activated under a Governor Executive Order)
- Educators in pre-K through grade 12 settings
- School staff caring for children of critical workers or child care and school-age care providers

If you fall under one of these categories and need care, please fill out the form found on the SJB website: [SJB J-Care](#)

J-Care will be closed Wednesday, November 25th for deep cleaning.
