School-Owned Student Device Agreement

The School-Owned Device is being loaned to your child to expand and personalize his/her learning opportunities during our school e-learning period. It is essential that the Acceptable Use Policy, and the other program policies be followed by your student to ensure the safe, efficient, and ethical operation of SCHOOL devices. In order for your child to use the School-Owned Device at home, you must accept the following terms and responsibilities:

- I will supervise my child's use of the School-Owned Device at home. I will discuss appropriate use of the Internet and apps. I will supervise my child's use of the Internet. I understand that my child should not use the School-Owned Device to visit social networking sites and non-educational sites.
- I understand that the School-Owned Device is being provided for educational use by my child and that the School-Owned Device should not be used by parents or other family members.
- I understand that everything on School-Owned Device is monitored by the St. John the Baptist network.
- I will not attempt to repair, alter, or make additions to the School-Owned Device, its hardware or software.
- My child or I will immediately report all damage and/or any other problems to Michelle Barsness (barsnessm@stjohnnyb.org).
- I agree to keep the School-Owned Device away from food or liquids that could damage the device. If an accident does happen, I will report it to Michelle Barsness immediately.
- I will report the loss/theft of the School-Owned Device to the SCHOOL immediately.
- I understand that I am responsible for all costs related to damage. I also understand that SCHOOL will arrange for all repairs from its vendor.
