

Christian Ethics Form

St. John the Baptist School offers opportunities for students to participate in extracurricular activities. These opportunities are “extra” and considered a privilege. Students participating in extracurricular activities represent St. John the Baptist Parish and School. Participants are expected to model Christian values while representing the school wherever the extracurricular activity occurs. The guidelines below are also expected to be followed.

1. Respect authority, others and oneself.
2. Respect property.
3. Maintain a safe and healthy learning and playing environment.
4. Encourage good sportsmanship by demonstrating positive support for all players, coaches, contest administrators and officials and every game.

Participants who fail to model respectful, Christian behavior are subject to the school’s discipline procedures. Serious offenses will result in immediate removal from the extracurricular activity.

I have read and understand the above expectations and agree to model positive Christian behavior while participating in an extracurricular activity. I understand the consequences if my behavior does not reflect the values of St. John the Baptist School.
