Here's how:

- On their home screen, under the "Most Recent Financial Aid Application" section, click the green Add School button.
- Click the green Add School or Scholarship button (yes, again).
- In the School Search field, type Aim Higher (or even Aim will work).
- A dropdown menu will appear; click to select Aim Higher.
- Select which student or students you would like to apply for Aim Higher, then click the green Submit button.
- Follow the step-by-step instructions to complete adding the scholarship.
- Voilà!
