

Date: February 9th, 2024

Hello Families,

Summer is fast approaching, and J-Care is excited to show you our fun and exciting summer plans that will create lasting memories.

Registration is now open for Summer 2024 under the J-Care summer tab on the school website. If you register before March 31st, you will receive \$10 off the registration fee. New this year, two of our field trips require waivers to participate in, we have placed both waivers in one packet that you can sign and return with your registration form, handbook signature and Schedule. You can email all of them to me, send them with your Child(ren) in their folder, or drop them off in the Office.

We are excited to share this great summer with your child(ren)!

MacKenzie Kantor

J-Care Director
