St. John the Baptist School
Tuition & Fees Billing & Collection Policies
Effective January 1, 2024

1. School registration and tuition billing and collection are done electronically through TADS.
 - a. Registration is complete when the online TADS forms are completed.
 - b. Assistance is available from TADS directly. Please contact TADS at 612-548-3320 if you are having difficulty. If you cannot resolve the issue with TADS, please contact the school office at 651-633-1522.
2. Multiple billing options are available to choose from during the registration process in TADS.
 - a. An automatic payment method (checking account or credit card) is required to complete enrollment. To request another form of payment, please contact the school office at 651-633-1522.
3. In the event that an invoice is overdue, a family will have five (5) business days to make the payment or contact the school office to inform the school of their intent to become current. If necessary, other satisfactory arrangements can be made with Beth Robertson, Director of Business Operations for St. John the Baptist Church & School. Ultimately, it is the family's responsibility to remain current on tuition and fee payments and to arrive at an acceptable payment plan.
4. \$35.00 will be assessed to your account if a payment is returned.
5. In the event tuition is unpaid at the end of a trimester, St. John the Baptist Catholic School has the right, at its sole discretion, and without waiving any other rights and remedies, to take any or all of the following actions:
 - a. Suspend the student until tuition is current; and/or
 - b. Withhold/block access to report cards and the online student management system; and/or
 - c. Commence and prosecute collection and/or legal proceedings to collect unpaid tuition, fees, and other unpaid amounts together with all costs of collection including, but not limited to, collection agency and attorney's fees, costs, and disbursements, all of which shall be recoverable.
6. Students with unpaid tuition at the end of an academic year will not be permitted to register for the next academic year unless the delinquent tuition is paid or a reasonable payment arrangement has been agreed to in writing, and the family is in full compliance and remains in full compliance with all terms and conditions of that agreement. Families must be either current or on a reasonable payment plan no later than March 15 of a given year in order to be eligible to re-enroll their student(s) for the following academic year. Families must then adhere to any agreed upon payment plan to work toward becoming current with any past due payments owed to St. John the Baptist School. Failure to comply with this payment plan or to stay current with their payments will result in the family forfeiting their student's or students' place in their current class.
