

Dear Parents and Guardians,

You and your family are valued members of the St. John the Baptist Catholic School community, and we are delighted you have chosen us to serve your family.

Over the past few months, both the parish finance commission and the school advisory commission (SAC) have discussed and planned the tuition rate of \$6150 in grades K-8 for the 2026-2027 school year. Multiple factors influenced this decision, but the tuition amounts are driven by the educational needs of our students, rising expenses, and the importance of retaining our dedicated SJB faculty and staff. Please note that all fees remain unchanged from the amounts set for the previous school year.

The actual cost to educate a K-8 child for the 2026-27 school year is projected at \$9,900. Thanks to the generous parishioners of St. John the Baptist Catholic Church, established endowments, fundraising, Wines to Wishes, and other donations throughout the school year, our SJB tuition rates are lower than the actual cost to educate a child. The tuition increase for the 2026-27 school year is 4%, as indicated by the chart below.

Tuition Rates (K-8) per Student				
2026.2027	1st Child	2nd Child	3rd Child	4th Child
Rate	\$6150	\$6150	11% off youngest child	50% off youngest child

If the grade listed for your student is incorrect, please contact the school office to request an update. Please see the tuition, fees, and preschool class options [here](#).

The tuition assistance application is available to complete during the enrollment process. The tuition assistance application deadline is March 15, 2026. You will be sent an email in July to set up payment plan options with TADS.

Thank you again for entrusting St. John the Baptist Catholic School with the education of your child(ren).

God bless,
