## From the Principal

Greetings from the Principal's office! Tonight, we look forward to celebrating one of the most meaningful milestones of the school year at St. John the Baptist Catholic School - our 8th-grade Mass and graduation. This special evening is an opportunity to recognize the hard work, growth, and accomplishments of our students as they prepare to take the next exciting step into high school. We are incredibly proud of the Class of 2026 and cannot wait to honor them alongside their families and loved ones tonight. It has been wonderful to get to know them in my first year at St. John the Baptist, and this class will always hold a special place in my heart as my first graduating class at SJB.

Congratulations SJB Class of 2026!

As we approach the final days of the school year, there is a wonderful sense of anticipation throughout our building. Classrooms are filled with reflection, celebration, and excitement for summer adventures ahead. While this time of year is always busy, it is also deeply rewarding as we recognize how much our students have learned and matured over the past several months. It is truly amazing to see the growth and progress

the students have made since the beginning of the year in September, to where they are now.

This school year has truly been filled with JOY, connection, and countless memorable moments. From academic achievements and performances to athletic events, service projects, and everyday acts of kindness, our students and staff have created a vibrant and caring Catholic school community. It has been a privilege to witness the enthusiasm, resilience, and positive spirit our students bring to our classrooms and hallways each day. We are grateful for the partnership and support of our families, whose encouragement helps make our school such a special place.

Thank you for being an important part of our Catholic school community. We look forward to celebrating together tonight and finishing the school year strong next week.

God bless,  
Dr. Weingartz
